The Simple, Tasty and Wholesome Piadina

La Riccionina is our house-made piadina — a craft rooted in Romagna’s tradition, reimagined with a touch of innovation. Made exclusively without animal fats, it delivers a unique, light and wholesome flavour that wins you over with every bite.

Its soft, fragrant texture, paired with fresh, high-quality ingredients, turns each piadina into a one-of-a-kind experience — perfect for those seeking an authentic, healthy and delicious dish.

A true passion for good food, reflected in every bite of La Riccionina.
